GOOD FOODS IN THE GOOD FIGHT AGAINST HUNGER

APPLICATION FOR EMPLOYMENT

The Food Group (TFG) is a local nonprofit focused on advancing healthy food access. Established in 1976, we provide nutritious food and support services to over 240 hunger relief partners and food distribution locations, in addition to training immigrant farmers, farmers of color, and other historically underrepresented farmers in sustainable farming practices.

Our culture and environment can be described as high-trust, cooperative, collaborative, open, and fun.

We are a workplace that is full of people who genuinely appreciate each other, and work best when tackling big ideas as a team. We value individuals who bring their life experiences to their work, knowing that the ways that they have experienced racial, economic, or gender injustice drive their passion to create change. We are a team of passionate, dedicated people who work alongside each other.
